BRICK 600

Description Thick PU plotter cut material, with polyester backing, available with matt finish.

Despite the outstanding thickness, the material grants easy cutting, weeding and application and a high washing resistance. Suitable for cotton, polyester, performance wear, poly/cotton blends and spandex, not treated or dye sublimated.

Usage Preheat the press for 2 minutes at 155°C.

- Mirror cut the material
- Weed the exceeding material
- Place the material on the garment with its polyester backing
- Heat apply at the conditions shown on the right
- Remove the carrier cold

Average thickness
600 microns

Suggested cutting settings
Blade: 60°
Pressure: 80 gf
Speed: 10 cm/sec

Transfer settings
25 seconds at 155°C
(310°F)
high pressure (4-5 bar)

Washing Wait at least 24 hours from application before washing. Washing resistance up to 60°C, best inside-out. Do not use bleach or other aggressive chemical agents. Not suitable for dry cleaning. Suitable for tumble dry, cotton program.

Washing temperature

Dry cleaning

Tumble dryer

The product is REACH compliant
The product is Öko-Tex® Standard 100 Class II certified
The product is VEGANOK certified
